

## FUN MATCH Q & A

### Who can enter?

*Any Portuguese Water Dog can be entered. A fun match is just that—for fun! If you can walk your dog on a leash you can enter the conformation class. It's a easy going introduction to the world of dog showing.*

### But my dog is neutered / spayed....

*That's okay! We have an "altered dog" class! Pick this class when filling out your entry form.*

### We've been taking several obedience classes, but I don't think my dog is ready to enter a competition. Should I enter?

*Yes you can enter. The judge will go over the rally stations and class requirements. Novice Rally and pre-novice obedience classes are performed on leash. A match is the first step to entering the performance ring. A match will help you define areas that you and your dog need to work on prior to entering a regular dog show. Many owners are surprised at just how close they are to being able to compete for a title.*

### Can I bring my PWD and just watch?

*Yes! Bring a chair and come enjoy.*
